

Montgomery County Fire and Rescue Service Policy

**ASSIGNMENT AND USE OF MCFRS AUTHORIZED COMPLEMENT OF
SUPPORT VEHICLES**

Issued by: Montgomery County Fire and Rescue Service
Authority: Montgomery County Code Section 21-3
Number 28-01AM
Effective Date:

Section 1. **Purpose:** To establish a policy for the assignment and use of Montgomery County Fire and Rescue Service **Authorized Complement** vehicles.

Section 2. **Applicability.** This policy applies to all MCFRS **Personnel** whose activities include the assignment or use, including but not limited to driving or operating, a County **Authorized Complement** vehicle, including a LFRD-Purchased Vehicle. Any **Authorized Complement** vehicle is subject to this policy.

Section 3. **Definitions.**

- a. **Authorized Complement.** All **County-Purchased Vehicles, County-Tax Supported Vehicles, and Leased/Contract Vehicles** (collectively “**MCFRS Support Vehicles**”), and **LFRD-Purchased Vehicles** that the Fire Chief has authorized for MCFRS use. MCFRS keeps an inventory list of all MCFRS **Authorized Complement** vehicles, and any additions to, or deletions from, this list must be approved by the Fire Chief.
- b. **County-Purchased Vehicle.** A vehicle titled to Montgomery County, whose acquisition and support costs, including vehicle insurance, fuel, maintenance, repairs and rehabilitation, are provided entirely by County tax funds.
- c. **County-Tax Supported Vehicle.** A vehicle: (i) that is titled to Montgomery County; (ii) whose base vehicle acquisition costs are provided by an **LFRD** to which the vehicle is assigned; and, (iii) whose support costs, including vehicle insurance, fuel, maintenance, repairs, and rehabilitation, are provided by County tax funds, the latter of which will occur only if, at the time of vehicle acquisition, the County estimates that these vehicle support costs during the period the vehicle is in the **Authorized Complement** will be more than 50% greater than the base vehicle acquisition cost that the LFRD incurred. For purposes of this definition, “base vehicle acquisition cost” means the dollar amount at the time of purchase that the LFRD paid for the standard vehicle and equipment only, with no customization or upgrades, as ordinarily sold in the marketplace.
- d. **Leased/Contract Vehicles.** A vehicle leased to MCFRS for a specific time period, upon loan terms or a contract.

- e. **Local Fire and Rescue Department (LFRD).** An individual fire or rescue corporation authorized under Montgomery County *Code* Sec. 21-5 to provide fire and rescue services.
- f. **LFRD-Purchased Vehicle.** A vehicle titled to an LFRD, whose acquisition and support costs, including vehicle insurance, fuel, maintenance, repairs and rehabilitation, are provided entirely with non-tax funds.
- g. **MCFRS.** Abbreviation for the Montgomery County Fire and Rescue Service.
- h. **MCFRS Support Vehicle.** A **County-Purchased Vehicle, County Tax-Supported Vehicle, or Leased/Contract Vehicle**, including those that are passenger or light-duty utility vehicles weighing less than 10,001 lbs Gross Vehicle Weight. These vehicles include command and staff vehicles.
- j. **Personnel.** All MCFRS personnel who may participate in the assignment or use of an **Authorized Complement** vehicle.

Section 4. **Policy.**

- a. The Fire Chief is authorized by Montgomery County *Code* Sec. 21-3 to establish policies for the appropriate assignment and use of a **MCFRS Authorized Complement vehicle**. An **Authorized Complement** vehicle may be titled either to the County or to an **LFRD**. For purposes of this policy, "Assignment" includes but is not limited to activities related to the purchase of, distribution of, or accountability for a vehicle. For purposes of this policy, "Use" includes but is not limited to the operation or driving of a vehicle.
- b. **Personnel** who use a **MCFRS Authorized Complement** vehicle, including those who drive or operate the vehicle, must comply with all applicable federal, State, and local laws, regulations, and policies, including Maryland State Motor Vehicle laws, County and **MCFRS** regulations and policies, and any requirement to wear a seat belt.

Section 5. **Procedures.**

- a. **VEHICLE ASSIGNMENTS AND REPLACEMENT.** The Fire Chief is responsible for assigning all **MCFRS Support Vehicles**, and will replace those vehicles as funding is made available. The **LFRD** Chief is responsible for assigning a **LFRD-Purchased Vehicle**, and must notify the Fire Chief of the name(s) of the individual(s) to whom the vehicle(s) is assigned at the time the vehicle is assigned to an individual.
 - 1. A request for the assignment or reassignment of a **MCFRS Support Vehicle** must be made to the Fire Chief.
 - 2. A **MCFRS Support Vehicle** that is a **County-Purchased Vehicle** or a

County Tax-Supported Vehicle must be titled to Montgomery County. Similarly, a **MCFRS Support Vehicle** that is a **Leased/Contract Vehicle** must be leased by, or contracted to, the County.

3. An **LFRD** may obtain title to, or receive County funding for insurance, fuel, maintenance, repairs, or rehabilitation regarding, a vehicle purchased by an **LFRD** with “508” or “Amoss” Funds, only with prior approval by the Fire Chief.
4. The **MCFRS** Fleet Section will evaluate the condition of a **MCFRS Support Vehicle** when considering whether to replace it.
5. An **LFRD** must not purchase any vehicle for the **Authorized Complement** assignment or use, in addition to those vehicles already in the **Authorized Complement**, without the written approval of the Fire Chief. (See attached Authorized Complement Inventory Form).

b. **AUTHORIZED COMPLEMENT VEHICLE USE.**

Authorized Complement use by all Personnel is subject to the conditions below.

1. Local official **MCFRS** business travel is authorized within Washington, D.C., Maryland, and Virginia, in a manner consistent with the types and distances of travel noted in County policy, including County Administrative Procedure 1.5.
2. 3. Any travel, other than Local official **MCFRS** business travel described in b.1 above, must be approved by the Fire Chief.
4. Authorized Complement vehicles must not be used for any reason other than official MCFRS business.

6. **Personnel** must *not* install or have installed any equipment in an **MCFRS Support Vehicle** without the prior written approval of the Fire Chief or designee.
7. The cost to remove an individual's personal equipment from a **MCFRS Support Vehicle** will be at that individual's expense.
8. No provision in this Policy may be interpreted to preclude the Fire Chief from authorizing the temporary use of a **MCFRS Support Vehicle** on a take-home basis, by **Personnel** whose duties include emergency stand-by or call back status.

Section 6. **Responsibility.** All **MCFRS Personnel** must follow established procedures for the assignment and use of an **Authorized Complement** vehicle.

- a. The Fire Chief must review a request by authorized **Personnel** to assign a vehicle to, or use or replace a vehicle that is on, the **Authorized Complement** vehicle list, and the Fire Chief may grant or deny the request in whole, or in part.
